

WMT Projects - Canford School students 2017/18

Please score your responses to the following question between 1 and 10

Questions		Score	
How well were the objectives of the challenges met by the participants?	10 - Very well	1	1 - Very poorly
In your opinion how well did the students responded to the challenges?	10 - Very well	1	1 - Very poorly
Has WMT learned anything useful from the projects?	10 - A great deal was learned	9	1 - Nothing useful learned
Would you support WMT offering such opportunities to schools in the future?	10 - Yes enthusiastically	8	1 - No

Please provide written answers to these questions in the space provided:

What do you think you could have done better as a WMT stakeholder?

DEvised 'SMARTer' GOALS FOR THE STUDENTS. ALL OF THE BOYS THAT ATTEMPTED THE GUI DEVELOPMENT WERE CLEARLY OUT OF THEIR DEPTH BUT WOULDN'T ADMIT IT.
ALSO
TRY TO UNDERSTAND THE MOTIVATION OF THE SCHOOL AND THE STUDENTS BETTER.

What do you think the participants could have done better?

1. ADMITTED THAT THEY NEEDED HELP OR A SIMPLER TASK,
2. SPENT MORE TIME ON THE TASK, 2 HOURS PER WEEK IS ONLY ENOUGH TO THINK ABOUT WHAT MUST BE DONE. IF THAT 2 HOURS IS SPENT AT WMT, THEN NOTHING IS DONE.

Do you have any other comments?

IF WMT IS TO DO THIS AGAIN, THEN WE SHOULD OPEN UP THE SCOPE OF THE WORK TO INCLUDE ALL ASPECTS OF WMT VOLUNTEERING.

THANK YOU FOR COMPLETING THIS QUESTIONNAIRE

Please continue your comments overleaf if you run out of space
