

Dropdown menu with the system status table and all readings tables

Click to load new table

Will scroll to accomodate more data

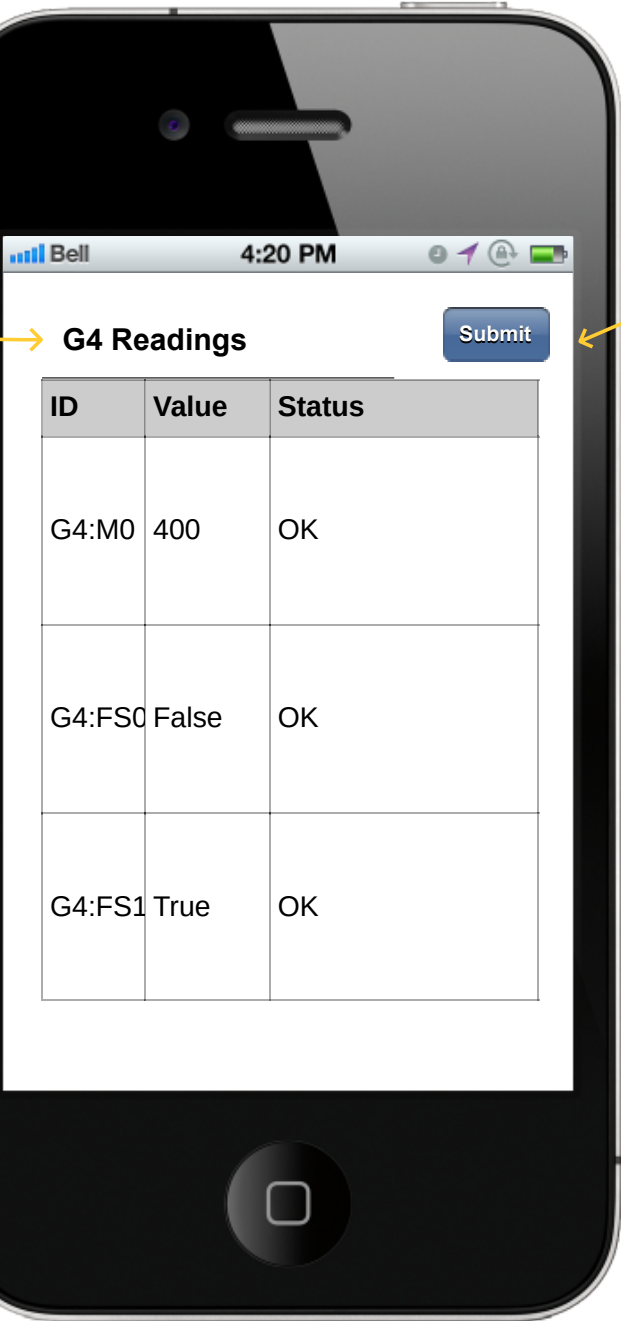

Auto-refreshes every 30 seconds, or refresh manually.

G4 Readings

Dropdown menu with the system status table and all readings tables

Click to load new table

Will scroll to accomodate more data.

Auto-refreshes every 30 seconds, or refresh manually.

Only showing one table, because they're very similar, but we'd have these for all of the readings tables.
